

2010 Skills USA State Championship

Automotive Service Technology

Dear Instructors and Students:

The Community College of Baltimore County is excited to host the 37th Annual SkillsUSA Maryland Automotive Service Technology competition on Saturday, March 27, 2010.

Our training facility has two labs and 10 classrooms with computer workstations. All computers are Windows-based PCs.

The Automotive Technology competition will consist of the following:

1. Electrical – Terminal Repair/Soldering – Bench Repair
2. Electrical – Circuit Analysis/SET Boards – Bench Repair
3. Electrical – Harness Testing/Transmission
4. Steering and Suspension – Front End Alignment
5. Engine Mechanical - Measurements
6. Brakes – Diagnose a condition
7. Engine Performance – no start - Modis, Tech II or bring your own
8. Engine Performance – Modis, Tech II or bring your own
9. Engine Performance – Modis, Tech II or bring your own
10. Written Test
