CONTEST GUIDELINES

Maryland State SkillsUSA Nail Care Contest will follow 2010 National Guidelines with the following exceptions:

Equipment & Materials

# 1:c	Technical Committee will not supply disinfectant tray for contestants. Contestants must bring implements, supplies & tools that are clean/disinfected or new and labeled as such or bring items necessary to clean & disinfect on site
# 1:h	Pedicure basins will not be required at this year's contest
# 2:d	Contestants will only complete 3 sculptured nails instead of 5 at the state level contest
# 2:e	Contestants will only complete 2 nails with tips & wraps instead of 5 at the state level contest
# 2:i	Contestants are not required to bring a CD with photos of their nail art
# 2:m	Pedicure supplies will not be required at this year's contest

Scope of Contest: Contest Guidelines

# 3	Time Limits: 3-5 minutes for oral presentation, 1 hour & 15 minutes for application of 3 sculptured nails & 2 nails with tip & wrap application, 30 minutes for Nail Care written examination, 1 hour for application of red polish on one hand & nail art on the other.
-----	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

NOTE: Nail Art will be applied to the same hand as the 5 nail extensions.

NOTE: Due to time constraints, we will not be performing the pedicure portion of the national contest. We will however cover the specifics at the state contest debriefing.
