Subject: Travel to National Convention

TLS is prepared to assist with your travel arrangements to the National Convention. TLS can arrange travel for your students and staff leaders. TLS will work directly with you to decrease your travel costs and administrative duties.

TLS is a professional transportation management company that works with youth groups across the nation. TLS will make your travel to the national convention a successful experience.

When you use TLS you will benefit from the following:

- Affordable ticket costs
- The lowest travel management fees
- No re-booking or cancellation fees
- Charter bus service to/from the airport
- Coordinate prepaid baggage fees
- Pre-paid meal cards

On-site service and support

Free Tickets: That's right, FREE Tickets! With each 18 air tickets ordered, purchased and used TLS will give you credit for one free ticket of equal value.

To use TLS you simply need to call our offices, discuss your travel needs with one of our friendly professional travel managers and provide them with travelers names', departure date and location, return date and designated hotel. Your orders will be immediately processed and detailed itineraries issued.

TLS will arrange livery service to transport your travelers to/from airport and their designated hotel. Call TLS at 888 746 5445 to put TLS to work for you and to realize dollar savings.

I personally guarantee you that you will be glad you used TLS.
